

Meet Tiffany!

Hey there, I'm Tiffany!

Owner of Glamour Shop – but also still right behind the chair doing what I love most! I hope you've been enjoying all the shoutouts to our amazing team of stylists who help make this place so special.

A little about me... I've been in the beauty industry for almost 21 years, and it's truly what I've always loved – helping people feel their best! My education and mentors gave me the tools, but it's the relationships and trust from everyone who's sat in my chair that have shaped me most. I love hearing your ideas and bringing your dream look to life!

One of my favorite things-mentoring and motivating new stylists coming into the industry. Watching their confidence and skills grow and succeed is such a rewarding part of what I do!

Outside the salon, you'll usually find me walking with my dog Millie, catching a good podcast, cheering on my kids at their events, or spending time outdoors soaking up the fresh air.

Thank you so much for all the love, support, and loyalty – not only to me, but to the entire Glamour Shop family! You truly mean the world to us.

Meet Nayla!

Hey all !! For those who have been here with me since the very beginning and those who are just getting to know me thank you.

I'm Nayla Ferron , I'm married to one hard working farmer. We've been married for 6 years and have two amazing children Boone and Willa !

When I'm not behind the chair I'm busy being a mom which is the most important thing to me. As many of you know how much I love spending time with my family! Our favorite summer tradition is to go on a few fun camping trips to the north woods.

When I'm in the salon I usually am doing all things blonde. My favorite thing and most popular thing in my chair is a good full head highlight and tone. But it sure is fun to switch it up sometimes with the darker dimensional colors.

I truly am so grateful for every single client of mine ! I wouldn't be here without every single one of you.

Your love and support doesn't go unnoticed.

Meet Nikki!

Hi there! I'm a familiar face here at the Glamour Shop! For those who don't know me yet, here's a little bit about myself.

I'm married to my husband, Jason, and together we have five boys – life is definitely busy!

We recently became first-time grandparents, and our granddaughter, Winnie, brings so much joy to our lives.

When I'm not behind the chair, you'll find me cheering at my boys' sporting events – they're involved in basketball, hockey, baseball, football, and trap!

We also love our annual summer trips to Michigan, especially spending time at the lake and enjoying family game nights.

Behind the chair, my favorite thing to do is color – any type of color! From bright blondes to rich, dimensional tones and dark hues, I love bringing your hair goals to life. But what I enjoy most are the relationships I've built with my guests through the years.

Thank you to everyone who has trusted me to transform your looks – I'm so grateful for the friendships and bonds we've made. I truly appreciate you all!

Meet Alyce!

Hi there! I'm Alyce, and I'm so excited to be part of your hair journey here at the Glamour Shop!

I have a passion for highlights and lived-in looks – creating those effortless, sun-kissed styles that enhance your natural beauty.

I also love styling hair for special events and weddings, and lately I've been falling in love with kids cuts too!

No matter the service, my favorite part of every appointment is curling hair at the end – it's that final touch that brings everything together!

When I'm not behind the chair, you'll find me soaking up the sunshine, browsing thrift stores, or taking walks with friends. I'm happiest outdoors, especially when I can catch a beautiful sunset or a sky full of stars.

Family means the world to me, and I cherish every moment spent with my nieces and nephews!

I can't wait to get to know you and help you achieve your dream look!

Meet Reagan!

Hi, I'm Reagan!

I really enjoy creating fresh new looks with women's haircuts, and revamping an old color routine for something fun and refreshed.

Brows are one of my favorite small fixes – I love how such a little detail can make a big impact! I'm also licensed in Microblading and perform this art upstairs at Stone & Suede in Waupun, WI.

When I'm not in the salon, you'll usually find me painting, reading, or taking a walk when the weather's nice.

Reagan is behind the chair Monday's from 10am-8pm.
